

# Tetley decaf reblended

for that superior taste

Tetley Decaf has the full Tetley flavour but without the caffeine. Reblended for an improved Tetley tea flavour, we want you to enjoy the new taste, as well as relish the health benefits but without having to compromise your love for tea.

## Stay healthy with Tetley

Tetley Tea is a naturally rich source of antioxidants, such as those found in fruit and vegetables. Use your Tetley Tea coupon today to experience Tetley's new reblended taste.

## Tetley Tea Truths:

Tetley Tea is a natural source of fluoride, helping you protect your teeth.

An average of just 4 cups a day provides you with 45% of your recommended daily intake.
